Series Title: Be The Church

Message: "Courageous"

### Introduction

This series will walk through the book of Acts. It will follow the start, the growth and the expansion of the early church. What we will see is not much about buildings and organizations but impact through the life and faith of followers of Jesus, empowered by the Holy Spirit. The hope of this series is that we would know that church is not just something we attend but it something we are and do as well. May we all long to see once again, the deep impact made by humble followers of Jesus as they transformed culture for the better. We will learn ways in which we, today, can do the same kinds of things these early followers did.
